*** The inclusivity goals, as stated in constitutional provision S6.04, are: "Except as otherwise provided.....at least 60 percent of the members of the synod assemblies, councils, committees, boards, and other organizational units shall be laypersons; and that, as nearly as possible, 50 percent of the lay members of assemblies, councils, committees, boards, or other organizational units shall be female and 50 percent shall be male; and that, where possible, the representation of ordained ministers shall be both male and female. This synod shall establish processes that will enable it to reach a minimum goal that 10 percent of its assemblies, councils, committees, boards, or other organizational units be persons of color and/or persons whose primary language is other than English." The 2009 churchwide assembly approved S6.04.B09, which adds: "It is the goal of this synod that at least 10 percent.....be youth and young adults.....the term "youth" means a voting member of a congregation who has not reached the age of 18 at the time of election....The term "young adult" means a voting member of a congregation between the ages of 18 and 30 at the time of election...."
