(*S6.04.)

"It is the goal of this synod that 10 percent of the membership of synod assemblies, the Synod Council, committees, task forces, conferences, boards and/or other organizational units be persons of color and/or persons whose primary language is other than English. A (S6.04.A09.)

"It is the goal of this synod that at least 10 percent of the voting members of the Synod Assembly, Synod Council, committees, and organizational units of this synod be youth and young adults. The Synod Council shall establish a plan for implementing this goal. For purposes of the constitution, bylaws, and continuing resolutions of this synod, the term “youth” means a voting member of a congregation who has not reached the age of 18 at the time of election or appointment for service. The term “young adult” means a voting member of a congregation between the ages of 18 and 30 at the time of election or appointment for service.” (*S6.04.B09.)

12. ELECTIONS

"In all elections by the Synod Assembly, other than for the bishop, a majority of the legal votes cast shall be necessary for election." (*S9.02.)

By action of the Synod Council (S9.01.A07), "Elections shall be conducted in a manner that encourages the Synod Assembly to be open to the guidance of the Holy Spirit, without overt campaigning or electioneering tactics by nominees, potential nominees and others in attendance at the assembly."

"Background checks and screening shall be required and completed for persons nominated as synodical officers prior to their election, if possible, or as soon as practical after their election. The specific procedures and timing of background checks and

screening shall be determined by the Synod Council.” (*S9.12.)

By action of the Synod Council (S9.12.A08), “The Synod Council Executive Committee shall provide for background checks for persons nominated for synodical office prior to the Synod Assembly at which the election will take place or as soon as possible after the Synod Assembly for newly elected officers nominated from the floor who were not identified as nominees prior to the assembly...”

“The bishop shall be elected by the Synod Assembly by ecclesiastical ballot. Three-fourths of the legal votes cast shall be necessary for election on the first ballot. If no one is elected, the first ballot shall be considered the nominating ballot. Three-fourths of the legal votes cast on the second ballot shall be necessary for election. The third ballot shall be limited to the seven persons (plus any ties necessary to include at least seven persons on the next ballot) who received the greatest number of legal votes on the second ballot, and two-thirds of the legal votes cast shall be necessary for election. The fourth ballot shall be limited to the three persons (plus any ties necessary to include at least three persons on the next ballot) who receive the greatest number of legal votes on the third ballot and 60% of the legal votes cast shall be necessary for election. On subsequent ballots a majority of the legal votes cast shall be necessary for election. These ballots shall be limited to the two persons (plus any ties to include at least two persons on the next ballot) who receive the greatest number of legal votes on the previous ballot.” (S9.04.)¹

By action of the Synod Council (SC95.1.15SA) the ecclesiastical ballot process was further defined so “that prior to the third ballot, biographical data on all remaining candidates (is to) be printed and distributed to all voting members of the Assembly.”

By action of the Synod Council in January 2003, the balloting process for bishop was further defined as follows:

After the distribution of candidates’ biographical data and prior to the third ballot, each of the seven remaining candidates will address the Assembly for a maximum of 5 minutes, with the order of presentations determined at random.

If there is no election on the third ballot, then approximately 45 minutes of agenda time will be provided for voting members to formulate questions they would like to address to the three remaining candidates. Questions will be formulated by tables of approximately 10 voting members each and will be recorded by a voting member at each table. Voting members will then be divided into three groups; each group will gather in a separate room. Each of the three remaining candidates will visit individually with each of the three groups of voting members, spending approximately one hour with each group. Previously formulated questions will be posed to each of the three candidates, so that

¹ An ecclesiastical ballot allows each assembly voting member to nominate a candidate for the office of synod bishop. Ecclesiastical balloting is done by writing in the name of the candidate on the ballot paper provided. All ELCA pastors are eligible for nomination, regardless of which synod they are currently rostered in.

all candidates respond to the same questions within a particular group.

A recess and time for reflection will be scheduled prior to the fourth ballot. If there is no election on the fourth ballot, then each of the two remaining candidates will address the Assembly for a maximum of 10 minutes prior to the fifth ballot, with the order of presentations determined at random.

The procedure for electing the clergy voting members for the churchwide assembly shall be such that it is assured that at least one male and one female are elected.

The procedure for electing the lay voting members of the churchwide assembly shall be such that it is assured that the Vice President be an Ex Officio voting member of the churchwide assembly, and that at least two lay persons be elected who are either "Youth" (defined as a voting member of a congregation who has not reached the age of 18 at the time of election), or "Young Adults" (defined as a voting member of a congregation between the ages of 18 and 30 at the time of election)."

"S9.02.12.A11. Whenever the number of churchwide assembly voting members is expected to include at least two persons of color or primary language other than English and the synod vice president is expected to fill one of those positions, then one of the other churchwide assembly voting member positions shall be designated for either (a) an inclusive lay male if the vice president is female or (b) an inclusive lay female if the vice president is male."

Nominees for churchwide assembly voting members who are not elected in specific demographic categories shall be considered on latter ballots for the churchwide assembly voting member positions with more general demographic requirements.

The Elections Committee shall construct the ballots for churchwide assembly voting members so that inclusivity goals (including those based on gender, status as a youth/young adult, race, ethnicity, and language other than English) are assured on the early ballots.

Other nomination and election information may be found in Chapter 9 of the Synod Constitution and Bylaws. Additional information on the nominating procedure may come from the Nominating Committee and/or the Synod Council prior to the Synod Assembly.

13. PROXY VOTING PROHIBITED

"Proxy and absentee voting shall not be permitted in the transaction of any business of this synod." (*S7.31.)

14. OBTAINING THE FLOOR

In plenary sessions of the Synod Assembly the voting members, including the *Ex Officio* members, always have prior right to obtain the floor. Persons with voice but no vote shall be entitled to obtain the floor if it does not prevent voting members from being heard. Resource persons shall be entitled to the floor only with respect to matters within their expertise if it does not prevent the voting members from being heard. Official visitors may address the assembly when requested to do so by the chair.

15. SPEECHES

- a. Unless otherwise determined by a majority vote of the assembly, all speeches during discussion shall be limited to three minutes. The Chair serves as the timekeeper.
- b. A voting member who has spoken on the pending question(s) may not move the previous question(s).
- c. A motion to end debate by moving the previous question shall apply only to the immediately preceding motion. A motion to end debate on all matters on the floor or more than the immediately pending question is not in order.

16. ALTERNATING SPEECHES

Insofar as possible during discussion, a speaker on one side of the question shall be followed by a speaker on the other side.

17. APPLAUSE

In the give and take of debate on issues before the assembly members of the assembly and visitors shall refrain from applause or derision.

18. DEPARTING FROM AGENDA

With the consent of the assembly, the chair shall have the authority to call items of business before the assembly in whatever order the chair considers most expedient for the conduct of the assembly's business.

19. MOTIONS AND RESOLUTIONS

- a. A motion germane to the matter before the assembly may be offered by any voting member from the floor; the voting member should move to a microphone and must be recognized by the chair.
- b. Substantive motions or amendments to motions must be presented in writing to the synod's secretary after being moved. A form is provided for

this purpose. This form is included in each voting member's assembly materials; additional forms are available from the secretary's table.

- c. Resolutions typically address substantive issues that may or may not be included in the assembly's normal course of business. In order for a resolution to be considered carefully by the assembly, it must be recommended by a conference, a congregation, the Southeastern Synod Lutheran Youth Organization, or a group of at least 15 voting members of the assembly and submitted by the deadline.
- d. Resolutions must be submitted to the synod office by 5 pm on the Friday that precedes by six weeks the start of a synod assembly, in order to be considered by that assembly's Committee on Reference and Counsel. Resolutions submitted after this deadline will not be considered unless the issue is of such an immediate and urgent nature that it clearly cannot be postponed until the next assembly, as determined by either the Committee on Reference and Counsel or the Synod Council. (Continuing Resolution S11.01.32.A12)
- e. Resolutions normally identify matters of concern to the whole church, provide a rationale for synodical consideration of the issue (specified in "Whereas" clauses), and describe a desired course of action (specified following a "Therefore," clause or clauses). A "Resolution Submittal Form" and a "Resolution Work Sheet" will have been sent to voting members well in advance of the deadline and will be available during the assembly.
- f. If a particular resolution has budgetary implications, the author(s) must consult with the synodical treasurer and should include financial considerations in the resolutions. The treasurer's response must be provided to the Committee on Reference and Counsel. Proposals lacking this documentation will not be considered for action by the assembly.
- g. For resolutions submitted by the deadline, the synod assembly will allow time for hearings and for adequate debate before a vote is taken. Because attention to resolutions is built into the structure of the assembly, the Committee on Reference and Counsel must have ample time for its consideration of the proposed resolutions.
- h. The Committee on Reference and Counsel reviews resolutions submitted by the deadline, discusses editorial or substantive changes, combines resolutions on the same issue, and prepares its counsel for the assembly.
- i. The Committee on Reference and Counsel may recommend (1) adoption of the resolution, (2) defeat, (3) amendment, (4) referral to an entity of the synod, (5) consideration with no recommendation, or (6) no consideration.

- j. The report of the Committee on Reference and Counsel is made available to the voting members as soon as possible, either in the last mailing to voting members prior to the assembly or with materials received with registration at the assembly.
- k. Authors of resolutions or representatives of groups that submit resolutions are strongly encouraged to attend any hearings scheduled during the assembly for discussion of their resolution.
- l. The incidental motion known in Robert's Rules of Order as the 'Objection to the Consideration of a Question' shall not be an allowable motion during the assembly if such motion is offered in connection with a resolution brought to the assembly floor by the Synod Council or the Committee on Reference and Counsel. (SC10.09.18SA)

20. SUBSTITUTE MOTIONS

When a substitute motion is proposed to a main (original) motion, amendments to the substitute (called secondary motions) may be offered to the substitute. The secondary motions will be voted on first. Then the substitute motion (either amended or not amended) will be voted on. Finally, the original motion (either amended or not amended) will be voted on.

21. PROCESS FOR MEMORIALS AND RESOLUTIONS

The ELCA Church Council, at its November 1988 meeting, moved to affirm a consistent system for handling memorials and resolutions from synods. The council voted "that future communications from synod... be dealt with according to ELCA constitutional and bylaw provisions...." This action affirms that:

- (1) Synod Assemblies address Churchwide Assemblies;
- (2) Synod Councils address the ELCA Church Council; and
- (3) Synod Councils address churchwide units or boards through the ELCA Church Council's Executive Committee.

This action also indicates that:

- (1) Assemblies deal with memorials;
- (2) Councils deal with resolutions;
- (3) Except that a council may forward a Synod Assembly resolution, on behalf of the assembly, to the Church Council or to a board through the Council's Executive Committee.

Synod Assemblies may pass Memorials to the Churchwide Assembly. Synod Councils may pass Resolutions to the Church Council. Synod Councils may seek to address

churchwide units and churchwide boards through Resolutions. These must be submitted to the Church Council's Executive Committee for appropriate referral.

If it is the will of the Synod Assembly to address the Church Council or a churchwide board, the Synod Assembly needs to request that the Synod Council refer the resolutions under consideration to the Church Council, if addressed to the Church Council, or to the Church Council's Executive Committee for appropriate referral, if the resolution is intended for a churchwide unit or board.

All Memorials addressed to the Churchwide Assembly and all Resolutions addressed to the Church Council or to churchwide units and boards, by way of the council's Executive Committee, shall be submitted to the Office of the Secretary of this church for recording and disposition.

22. LANGUAGE OF RESOLUTIONS AND MEMORIALS

Basic information on the proper language of resolutions and memorials is found in Robert's Rules of Order.

-- Normally, the "Whereas" clause(s) describe the issue, concern, problem, or basis of the resolution.

-- "Resolved" clause(s) point to proposed solutions and define requested action.

"Resolved" clauses should clearly define: What should be done? Who should act? What the action may cost and how it is to be funded? When the action should be done? To whom the results should be reported?

A resolution of a Synod Council cannot direct the Church Council to take a specific action. A resolution represents a request. Likewise, a memorial of a Synod Assembly cannot direct or demand that the Churchwide Assembly vote in a particular way. A memorial, by definition, is a petition appealing for action.

The best resolutions and memorials are simple and direct. They contain a minimum of adjectives and adverbs. They avoid inflammatory words and generalized statements. They are built on straightforward nouns and verbs.

Resolutions and memorials, in essence, say: "Please. We think this is important and, simply stated, this is why."

23. CONSTITUTIONAL AMENDMENTS

The constitution of this synod may be amended through the following procedures:

"Certain sections of this constitution incorporate and record there-in required provisions

of the constitution and bylaws of this church. If such provisions are amended by the Churchwide Assembly, corresponding amendments shall be introduced at once into this constitution by the secretary of this synod upon receipt of formal certification thereof from the secretary of the ELCA." (*S18.11)

"Whenever the secretary of the ELCA officially informs this synod that the Churchwide Assembly has amended the Constitution for Synods, this constitution may be amended to reflect any such amendment by simple majority vote at any subsequent meeting of the Synod Assembly without presentation at a prior Synod Assembly. An amendment that is identical to a provision of the Constitution for Synods shall be deemed to have been ratified upon its adoption by this synod. The Church Council, through the secretary of this church, shall be given prompt notification of its adoption." (*S18.12)

"Other amendments to this constitution may be adopted by this synod through either of the following procedures:

- a. An amendment may be adopted by a two-thirds vote at a regular meeting of the Synod Assembly after having been presented in writing at the previous regular meeting of the Synod Assembly over the signatures of at least 25 members and been approved by a two-thirds vote of the voting members present and voting at such a regular meeting of the Synod Assembly.
- b. The Synod Council may propose an amendment, with notice to be sent to the congregations of the synod at least six months prior to the next regular meeting of the Synod Assembly. Such an amendment shall require for adoption a two-thirds vote of the voting members present and voting at such a regular meeting of the Synod Assembly.

All such amendments shall become effective upon ratification by the Churchwide Assembly or by the Church Council." (*S18.13.)

24. BYLAW AMENDMENTS

The bylaws may be amended through the following procedure:

"This synod may adopt bylaws not in conflict with this constitution nor with the constitution and bylaws of the churchwide organization. The synod may amend its bylaws at any meeting of the Synod Assembly by a two-thirds vote of voting members of the assembly present and voting. Newly adopted bylaws and amendments to existing bylaws shall be reported to the secretary of this church." (*S18.21.)

25. CONTINUING RESOLUTIONS

"This synod may adopt continuing resolutions not in conflict with this constitution or its

bylaws or the constitution, bylaws and continuing resolutions of the churchwide organization. Such continuing resolutions may be adopted or amended by a majority vote of the Synod Assembly or by a two-thirds vote of Synod Council. Newly adopted continuing resolutions and amendments to existing continuing resolutions shall be reported to the secretary of this church." (*S18.31.)

26. EN BLOC RESOLUTION FOR CONSTITUTIONAL AMENDMENTS

The constitution may be amended and continuing resolutions and bylaws may be adopted or amended by *en bloc* resolutions, unless a voting member objects to the inclusion of any particular provision. The objection of a voting member shall be made in writing and delivered to the synod secretary no later than 7:30 PM on the first day of assembly. Particular provisions so objected to shall be considered separately and provisions not objected to will be considered a part of the *en bloc* resolution.

27. BUDGET PROCEDURES

"Budget and Finance Committee. This committee shall prepare and present a comprehensive income and expense budget to the Synod Council for its consideration and presentation to the Synod Assembly." (S11.01.21.b.1)

"Any proposal to appropriate funds, whether by amendment to the budget or otherwise, which is presented to the Synod Assembly without the approval of the Synod Council, shall require a two-thirds vote for adoption." (S7.34.)

28. STATUS OF SYNOD COUNCIL RECOMMENDATIONS

The recommendations of the Synod Council shall be treated as a motion before the Synod Assembly, unless the Synod Council shall otherwise determine.

29. DISTRIBUTION OF MATERIALS AND DISPLAY SPACE

- a. Only materials authorized by the bishop, or the bishop's representative, with the Committee on Reference and Counsel will be distributed to voting members of the assembly during the assembly.
- b. Display space at the assembly is on a "space available" basis, and may be provided to the following groups:

Synod committees, task forces, and other organizational units, and institutions or agencies directly supported by this synod, at no cost.

Lutheran-based groups (non-commercial) in the Southeastern Synod, not directly supported by the synod, upon payment of the exhibitor fee.

Commercial organizations that serve the Lutheran community in the Southeastern Synod, upon payment of the exhibitor fee.

The “space available” and exhibitor fee determination will be made annually by the assembly coordinator, in consultation with the bishop. “Space available” may be determined to be at the information booth of the assembly. In this case, a limited number of brochures or flyers will be permitted. A full display including free standing display boards, videos, etc. will not be permitted at the information booth.

- c. Items may not be offered for sale at the Synod Assembly unless approved by the Synod Council.

30. BOUNDS OF THE ASSEMBLY

The bounds of the assembly will be set by the chair at the beginning of the first plenary session. In the event of a change of venue the chair will announce the new bounds of the assembly.
