

## **Mission Outreach and Renewal Committee**

### **Recommended Action Synod Council Consideration**

Approve a \$5000 Great Commission Fund Grant for Trinity Lutheran Church in Tullahoma, TN

Trinity, Tullahoma requests this grant to help create a wood shop workshop in order to create simple furniture for low-income families, including people transitioning from homelessness to housing, in our community, and to provide this space for troops and students to learn simple wood crafting.

The total amount for the project is \$15,000 of which \$5000 would come from this grant. The project includes renovating an existing shed and adding electrical and framing for designated workspaces; purchase and install equipment with necessary safety equipment and supplies; train wood shop volunteers and Collaborate with Good Samaritan Community Assistance and Shepherd's House Homeless Shelter ministries about needs they are aware of within the community and for ongoing volunteers. Want to start in the fall.

### **Mission Outreach and Renewal Committee recommends approval**

We recommend granting this \$5000 request to Trinity, Tullahoma TN
